

How can you be the benchmark?

ENHANCE YOUR TRAINING AND
DEVELOPMENT WITH SGS **ACADEMY**

eLearning & Public Class Schedule July-December 2026

SGS

Centers of Excellence

The greatest asset an organization has is its workforce. Unlocking the full potential of your employees is the key to creating a successful and dynamic business.

To achieve this, employees must be provided with training that promotes continuous personal and professional development.

Be the benchmark with training programs from SGS Academy

Whatever the industry, wherever your business operates, SGS Academy has a training solution to help unleash the full potential of your workforce.

Enhance your skills and empower your team with professional training.

100+

Courses in more than 100 countries

20,000+

A portfolio of over 20,000 courses, in more than 20 languages

1,000+

A network of more than 1,000 tutors

200,000+

Training delivered to more than 200,000 people a year

Industry Specific

Covering all major industrial sectors, our industry-based training will help your workforce improve existing skills and acquire new ones. Administered by industry experts, our courses will direct participants along a career path that creates long-term stability and better efficiency, as well as managing risk and delivering a competitive advantage to your company.

Quality training is the key to keeping pace with the latest industry practices, technical and ISO standards, and regulatory compliance. We offer consistent, high-quality training across your organization, both locally and globally, providing the skills and knowledge to transform your people and business.

We offer courses relating to:

Food

Manufacturing

Automotive

Oil and Gas

Mineral

Plantation

Forestry

Education

Construction

Logistic & Transport

Government & Institution Services

Financial Service

IT Industry

Subjects and Methodologies

SUBJECT AREAS

Management
System

Productivity

Softskills

Sustainability

Health & Safety
Certified

METHODOLOGIES

SGS Academy training solutions can incorporate several different methodologies. By offering this diversity, we can optimize the training outcomes for your business and employees.
